

Laundry Services

In line with our goal is to offer a spectrum of services to make cleaning and maintenance as stress-free for medical facilities, we provide linen rental and laundry services as well. We specialize in smaller facilities so we can offer quality, hands-on care while keeping costs down and adapting to customer needs.

Your service will include:

- A designated rep that caters to your facility
- Inventory management and laundry organization
- Approved OSHA, CDC, and HLAC standards
- Processes that sanitize and kill common pathogens.
- A set monthly price so there is no guesswork on what your bill will be each month

All of our employees are carefully screened and vetted to ensure they are of the highest moral and ethical character, they are dedicated to their trade, and are experts in the art of quality care.

We also provide:

- Customized laundry schedule
- Background checks, training documentation, and shot documentation for all employees
- Service check-lists with employee verification
