

Commercial Cleaning Services

Quality professional cleaning and janitorial services can lead to an increase in productivity, a reduction in employee sick days, and a sense of safety and well-being for your clients and staff. With our background in environmental services, we guarantee a thorough clean that looks and feels great.

Some of the services we provide are:

- Customized cleaning plan
- Floorcare and floor cleaning
- Emptying trash and trash disposal
- High dusting and furniture dusting
- Restroom cleaning
- Breakroom cleaning
- Never double-dipping cloths or mops to prevent cross-contamination
- HEPA-filter vacuums to filter the air for improved air quality

All of our employees are carefully screened and vetted to ensure they are of the highest moral and ethical character, they are dedicated to their trade, and are experts in the art of cleaning.

We also provide:

- Customized cleaning schedule
- Background checks, training documentation, and shot documentation for all employees
- Service check-lists with employee verification
